Please indicate what spaces you require and we will book them for you. Please indicate number of people in each room and/or purpose (e.g., warm-up room). Festival clients must arrange for their committee to provide supervision of dancers in the College areas, including hallways, cafeteria, and the College washrooms, and must ensure that the Black Box Theatre is returned to the original state that it was upon arrival. Please note these spaces are subject to availability. Black Box Theatre availability is limited.

Dance and School Bookings

What instruction will be given to parents about where to pick up dancers / students following or during the performance?

Our concern is the safety of our patrons in our facility. Therefore, parents who need to pick up dancers/students following the performance or who need to get backstage during a performance to help with a costume change may gain access through the Black Box Theatre (if booked) or through our Crossover (located behind Coat Check).
